2003 CONCERNS

- Data Integrity and Security
- Privacy
- Cost
- Standards
- Game Plan – Migration Path

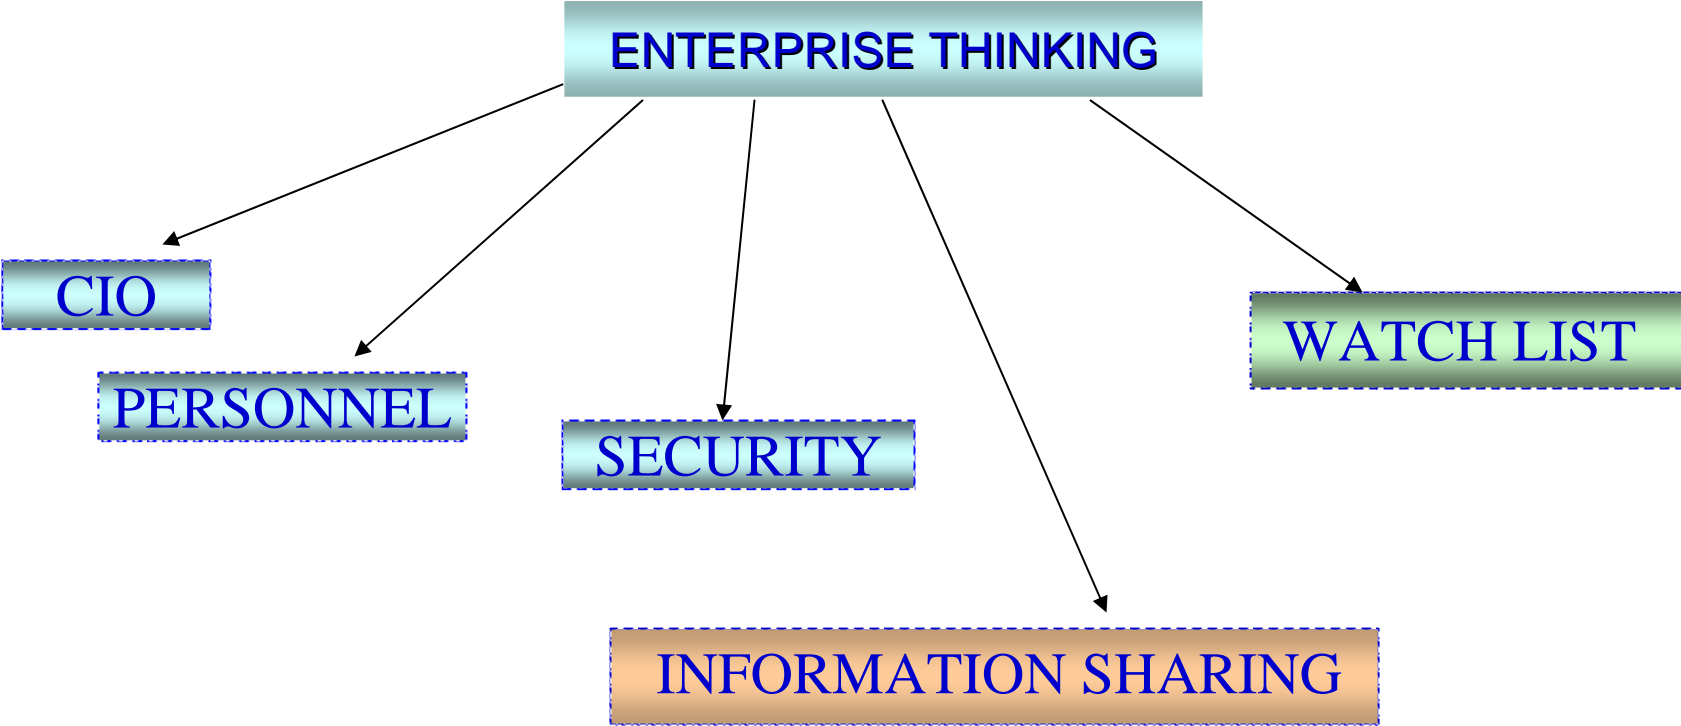

CHALLENGES FACED (History Revisited)

- Identify The Stakeholders – Get them involved
- Establish The Goals
- Define Roles & Responsibilities
- Deal with Exceptions and Anomalies (non-citizens)
- Cordon Off Resources
- Standards Development
- Training and Testing Plan
- Do no harm to existing infrastructure
 - ✚ Clear Migration strategies:
 - Shared services/leased spaces
