HSPD-12: Policy for a Common  
Identification Standard for Federal  
Employees and Contractors (8/27/04)

<http://www.whitehouse.gov/news/releases/2004/08/20040827-8.html>

# General Objectives

---

- Common, secure, reliable identification for government employees and contractors
- Visual and electronic identity verification
- Government-wide
  - Technical interoperability
  - Common basis for reciprocity

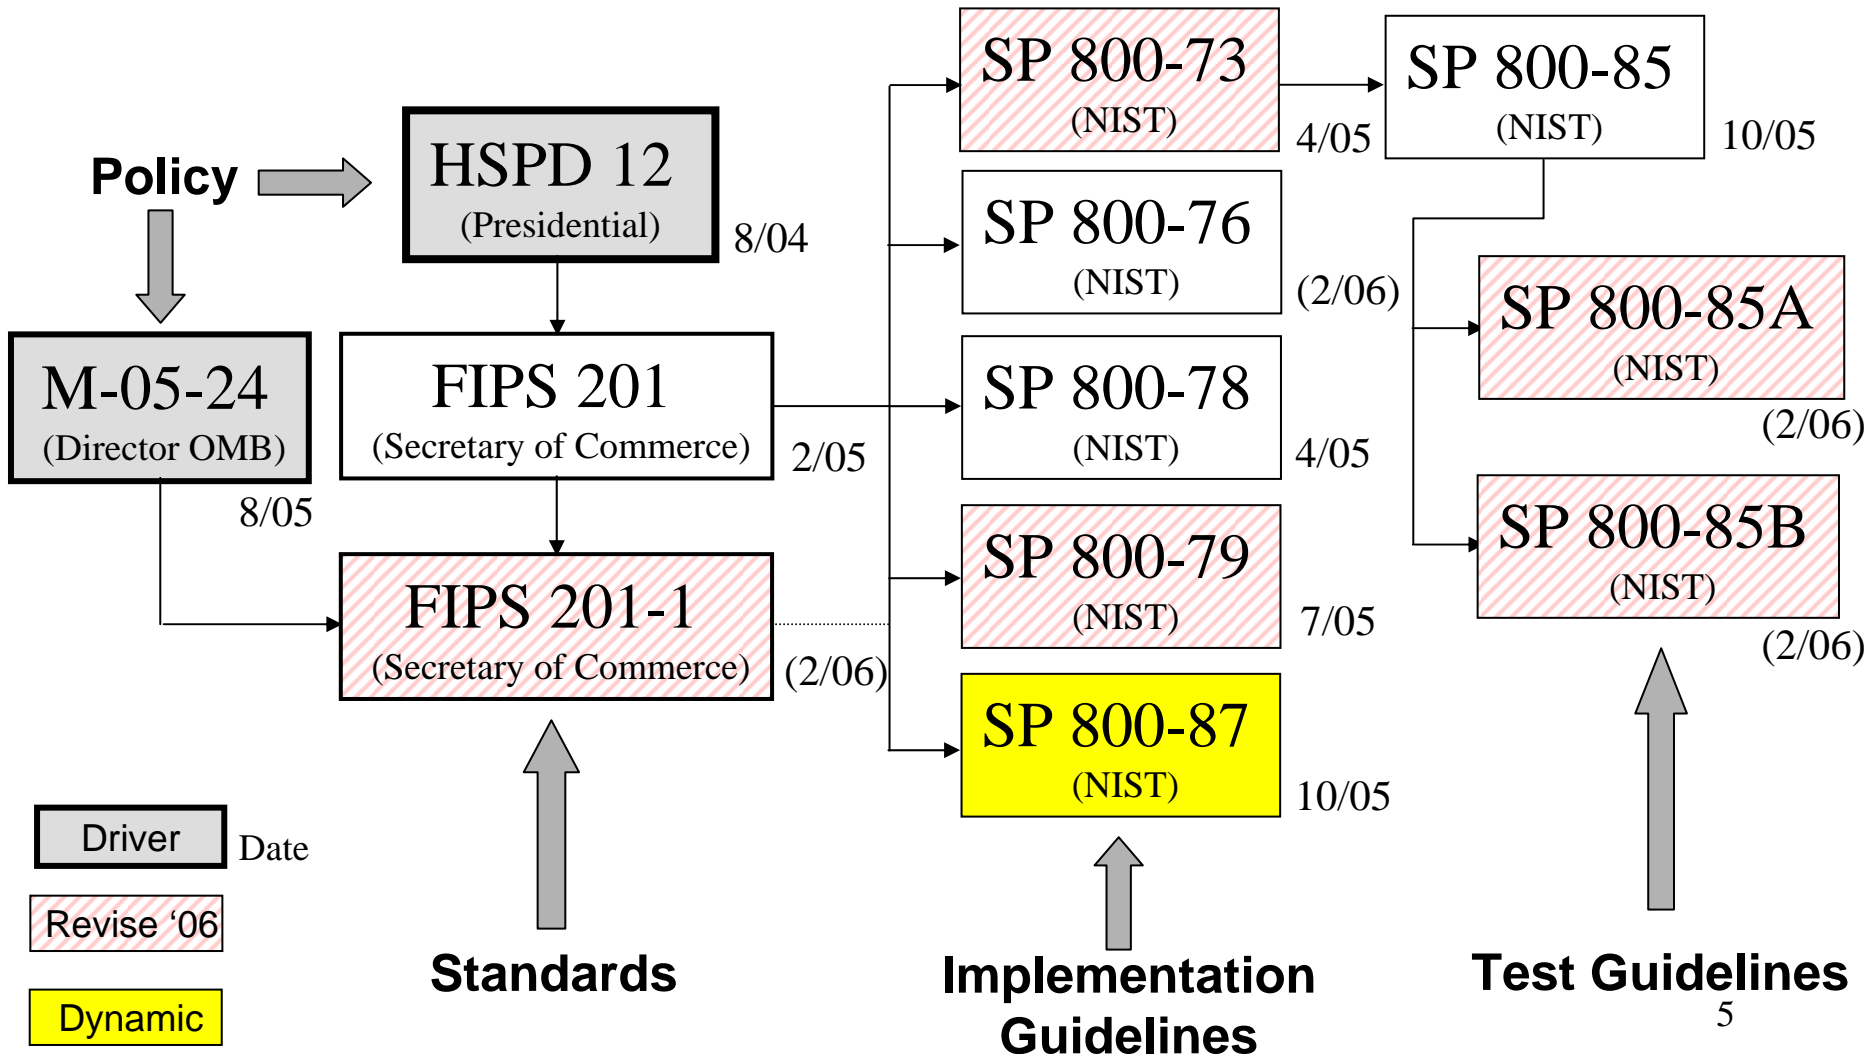

# Satisfying HSPD-12 Requirements

---

- Enhance security
- Increase government efficiency
- Reduce identity fraud
- Protect personal privacy
- Eliminate variations in quality and security of forms of personal identification
